NLU Journey

Benefits: Banner-D2L integration

- ✓ Student and faculty data synchronization from Banner to D2L
- ✓ Working with D2L Org structure from a Top-down approach
- ✓ Seamless data flow from ERP to LMS on real time basis
- ✓ Enhancing student experience through course automations
- ✓ Maximizing IT efficiency by streamlining Enterprise application communications

Poll Question

What is your biggest IAM challenge right now?

1. Managing multiple logins & user access
2. High volume of password reset requests
3. Security risks & compliance concerns
4. Onboarding & offboarding inefficiencies
5. Data Integration between two systems
